JBL MK2 Battery- Powered Column PA

Great for corporate events, backyard weddings, private parties, or performance. C-shaped array of eight 2" tweeters delivers superior clarity. The 10" woofer in acoustically optimized cabinet generates natural, smooth low end with a 1,500-watt (peak) amplifier. Built-in 5-channel digital mixer has individual EQ, Effects and Bluetooth.

Event Rental
Whole system
\$395

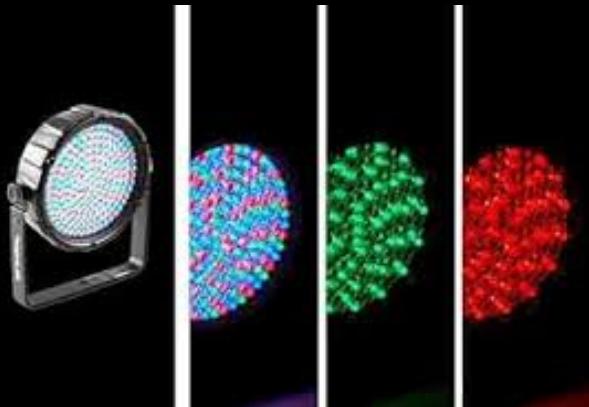

Lighting

Rates based on quantity of fixtures needed. [Contact us](#) for a custom quote.

LED Light Options

Bring your private party to life with LED lighting. Traditional and wireless (battery-powered) options available. All lights are DMX capable or can be used in beat mode. Great for uplighting your event space or elevating your party/performance.

LED T-Bar Lights

Bring your party to life with beat activated LED lighting fixtures. Simply plug in and walk away. Lights will activate by the sound of the music. No experience needed to give your guests a professional light show.

Event Rental
2 lights on T Bar \$125
4 lights on T Bar \$ 175
